

INTERNATIONAL CONFERENCE ON SUSTAINABILITY

TRANSFORMING HIGHER EDUCATION
FOR A SUSTAINABLE FUTURE

ICONSUS 2025

The conference explores innovative strategies, practices, and policies to integrate sustainability into teaching, research, and institutional operations. Organised in the scope of the Erasmus+ project Time2Act@SD, ICONSUS2025 seeks to address the critical challenges and opportunities in transforming higher education to align with the principles of sustainable development, equipping institutions to act as catalysts for change in their communities and beyond.
